- 1) Regular FIFA field markings apply for 9v9 soccer.

Size of the Goal

- 6½ feet tall by 18½ or 7 feet tall by 21 feet wide

The Ball

- U9 – U12: Size 4 ball
- U13 and Up: Size 5 ball

Number of Players

- Teams play with 9 players on the field for each team with 1 player being a goalkeeper. A recommended maximum of 14 players on the roster.

All players must play at least 50% of all games, equal playing time is encouraged.

Duration of the Game

- U11 & U12: The game is divided into two 30 minute halves with a 5 minutes halftime.
- U13 & U14: The game is divided into two 35 minute halves with a 5 minutes halftime.
- Players and coaches are encouraged to arrive at least 30 minutes before the game. Preparation for the game becomes more important as players mature.

Substitutions

- Unlimited number and on any stoppage of play. Rule to be used as intended vs. slowing the game down or to win a game!
- We recommend the coach allows the players to get into the flow of the game and not substitute every 5 – 6 minutes. This also helps ensure players get to play the required playing time.

Fouls and Infractions

- Fouls occur more frequently as the players get older and mature. FIFA rules apply, this includes indirect and direct kicks. Soccer is a contact sport; players are allowed to make shoulder to shoulder contact within close proximity of the ball.

Ball in and out of play

- The ball is out of play when the entire ball crosses over a touch line, whether it is on the ground or in the air
- **Throw in's:** Awarded to the opponents of the player who last touched the ball before leaving the sideline. When taking a throw in players should ensure that both hands are on the ball and it is behind their head. Players must keep both feet on

the ground prior to throwing in the ball. Otherwise the throw in is given to the opposing team. The referee is encouraged to provide feedback to the players to ensure it is a positive learning experience.

- **Goal Kicks:** Taken by the defending team after the ball has crossed the goal line after being touched last by the attacking team. The kick may be anywhere inside the goal area. The defending team must retreat behind the penalty area.
- **Corner Kick:** When the defending team kicks the ball out over their own goal line. The ball will be placed within 1 yard of the corner to restart. The defending team must retreat at least 10 yards back from the corner until the ball is back in play.
- **Free Kicks:** FIFA rules apply.

General Rules

- **Coaches:** Coaches will refrain from entering the field during the course of play at all times. If a player is injured the coach can enter the field of play to help the player after the game has been stopped by the referee.
- **Referees:** Official referee’s are assigned by “Play The Whistle” and not HRSA. However due to a shortage of referee’s in Colorado each team should have volunteer referee’s that have attended HRSA’s in house referee training. These referee’s will have received a yellow “club trained referee” shirt and be aware of the rules. In case of game that hasn’t been assigned a referee by Play the Whistle the home team volunteer referee will step in.
- **Assistant Referee’s/Linesman:** Each team will provide an assistant referee for each game. Each team should provide 2-3 volunteers, training will be provided.
- **Parents/Spectators:** All spectators should remain on the spectator sideline during the games. Coaching or helping the players is not tolerated. Players will learn and understand the game through their own experience and mistakes. Making a mistake is encouraged as it allows the players to learn from that experience.
- Half time and end of game snacks are at the discretion of each team and coach.
- Coaches and players of BOTH teams will sit on the same side of the field. Spectators (parents, grandparents etc.) should sit on the opposite side of the field.
